Rehearsals are held on the Rocky Mountain College campus in Billings and are generally scheduled Thursday evenings from 6-8 pm.

We welcome all boys and youth, 9 years of age and older with an interest in learning and performing great music, to come and try us out. No fees are required, just a commitment to participate and a willingness to learn.

Parents of choristers play a big part in the success of the *Billings BoyChoir* by occasionally chaperoning rehearsals, sharing and implementing fund-raising activities, and promoting the choir and its performances.

Please visit www.theboychoir.org for more information about the joining the choir and future performance dates.
